Bath Cycling Campaign

Minutes

21 Sept 2014

Sunday – Kings Arms Pub

Frank Tompson / Stephen Little - Treasure / Mark Annand / Tim Beadle / Adam Reynolds – Chair / Jon Morris / Jon Lucas / Dick Daniel - Sec

Racks on buses	Our survey - people want on P&R / No 18 Uni buses Adam working on This is having a knock on around the country!	
Tour of Britain Stand	Adam made a fantastic exhibition stand – a gazebo with 40x A4 sheets of info & issues	Stephen reimburse Adam expenses
Two Tunnels	More ramps – by Curo Lots of bits still to do Lyncombe vale – was to be a proper ramp / Sustrans do not support a 1 meter path because has to be a full path / hope to still have a chipping path soon Bollards <ul style="list-style-type: none"> - Monksday - Who designs? – Sustrans spec 1.5m space - At bridges – not visible enough - higher, white line, more reflectors 	Frank ask for a solution to be found by Banes
Wellow path	Understand it will be done by Sustrans	
Web site	Still being developed Have a photo gallery? Please can people put stuff on – you can ‘rant’ Also write bits Has a calendar – add to show as list item too Links to other groups – add	ALL to register [BCC email is not the same] All get involved & post stuff
Developments	Pines Way - Banes has a desire to get rid of gyratory system No proposal yet for cycling – lots of potential for Brougham Hayes – Poyton type scheme? Sainsbury's – still want to do their development Hartwell – Still issues about parking / land ownership – cycle route a carrot for planning We support the cycle route Also potential for bridge over Bassmill lane 7 Dials - at consultation voices others against it who were anti cycling & shared space / will be going	All – put in an objection letter

Cycle Bath

Bath Cycling Campaign

	<p>ahead</p> <p>London rd & Widcombe – being done</p> <p>Pultney st & Sydney</p> <p>Lidi – Make sure there will be a 3 meter shared path</p> <p>Frank suggests we need to have an individual take on individual issues & push Cycle Bath view, to deal with the council on that issue</p> <p>On consultations need as many as poss turning up to show level of support for cycling</p> <p>Bristol has a vision for the city – that drives what they do / The Sustran report should be that for Bath</p>	<p>Dave – will take on Putney st / Sydney</p> <p>Adam [Frank will help] – take on Lidi</p>
Sustrans report	<p>Goes to cabinet / there will 'proper' consultation</p> <p>How often review - yearly?</p>	Use to mobilize support for cycling
Green Park - crossing in front of Bras	Dangerous crossing for cyclist, especially going west	
Promote Cycle Bath		All
Elections – Local / National	<p>Go along to each party / see there polices</p> <p>Link up with other groups in LSTF area ie Bristol, South Glos</p>	Frank will write to all standing in local for position on cycling
Highways	Repaint the ASL & symbols	Ask council to
	Pledge by councils?	
River path	<p>Strategic river authority has £340k to spend on river path after another death of student</p> <p>Whole path needs improving for all / widen path / lighting / regular cutting back</p>	Adam will do letter
Wellsway sign	Banes has acknowledged confusing / will be taken down	
Input to Banes	Paul Crossley said – Cycle Bath should be consulted on 'any' traffic & transport schemes / all parts of council, including planning, must consult on issues that relate to cycling	Why is this still not happening?
Next meeting	19 th October – Sunday – Kings Arms
