

BATHWICK LOCAL AREA

How can walking and cycling be improved in this area?

As part of the Cycling Ambitions Fund Sustrans is working with Bath and North East Somerset Council (BANES) along with the community to research how walking and cycling within the Bathwick Area could be improved in a way that reflects the needs of those living and working in the area.

To take part and give us your opinion

- 1** *Attend an 'on-street event'*
Friday 3rd March 3pm - 6pm
Come and pinpoint areas for improvement on large scale maps to help us understand the current issues.

- 2** *Log onto our Interactive map online*
Contribute and add your comments

(Running from Monday 20th Feb until Mon 6th March 2017)

Location of event
Entrance to Sydney Gardens

Once this initial stage of engagement is complete we will summarise what you have told us, highlighting what's good and not so good about cycling and walking in your area. This will help us understand what the main issues are.

The findings from this project will be used to inform future funding opportunities, there is currently no funding but this work will ensure that any proposals that are submitted are appropriate for your area.

Provide us with your contact details at the event or on the online map if you would like to be kept informed
