

CITY WIDE RESIDENT FRIENDLY DAY PARKING ZONES

Tackling Air Pollution head on. Getting people out of cars and walking, cycling or using public transport. Helping to solve Bath's congestion and residential parking problems. Enabling the council to invest in better public transport services and active travel infrastructure.

£9.9M*

COST OF CONGESTION

*Based on cost of congestion to Bristol of £43.7M

£18.2M*

POTENTIAL REVENUE

*Based on P&R monthly pass of £66, a 20% (23,000) modal shift away from cars, and evidence from London & Stockholm's congestion charging schemes.
